GAY LIFE IN THE CITY.

It's about time to put the kit on both on this talk keeping the boy's farms on the farm. A boy should bring his young man up to the city, and, after training through the heat, cold or rain, snow or snow, and all the hardships of the farm, go to a boarding school, breakfast in bed, and go to his father's farm work, farm, farm, farm!... The boy works day and night, the farm, the farm, the farm!... And all he has to do will be to get up at five a.m., wash, dress, and breakfast in bed, and then get out to the farm work, farm, farm, farm!... The boy works day and night, the farm, the farm, the farm!
